- NEW COUNCILLORS – Cllr. P Hunt resigned last year from the Parish Council and was replaced by Cllr Simon Pollard. Cllr A Holmes resigned in April 2022 and the vacancy is presently being advertised for co-option.
- HOLME MEADOW
The halogen floodlights on the field were all replaced with more efficient LED units at a cost of £3,995.
Tree planting – as part of the Northern Tree planting scheme, Conservation volunteers in conjunction with the Woodland Trust and NLC planted 365 tree saplings of various varieties on Holme Meadow field and 35 trees and shrubs on Kealhome Open Space land. This is part of the commitment by NLC in working towards reducing our carbon footprint and improving the wild life habitat. It is also hoped that these will act as a windbreak on the field.
Bench – a recycled bench was purchased and placed in the far north east corner as a resting place.
- IN BLOOM
In 2021 Messingham was awarded Highly commended in the CPRE large village competition. The Parish Council sponsored the 'Best kept front garden' competition in the Village and the 'Best kept allotments' competition. Prizes of Garden Centre vouchers were presented to the winners at the annual Village Horticultural show held in September.

- REMEMBRANCE DAY
Following the previous two years of Covid restrictions, residents were once again able to gather at the War Memorial in 2021. There were close to 400 people in attendance and 25 wreaths

were laid by Village organisations. A replacement bugler travelled all the way from Hornsea to give a rendition of the Last Post and Reveille.

Four large steel poppies were kindly donated by a resident last year and after the service these were attached to the poppy frame.

- ALLOTMENTS

57 plots are presently rented with a steady uptake of the new plots which have been made available. A new water supply was installed to serve two of the new rows of plots.

A total of 30 fruit trees including some heritage varieties have now been planted in the new Community Orchard at the Allotment site.

The roundabout in the Children's play area had to be removed due to damage and was replaced with a new accessible roundabout at a cost of £11,518.

- CHRISTMAS COMPETITION

There were more than ever decorated properties and shops in Messingham and Holme last Christmas time.

Certificates and vouchers were presented to the winners of the Residential and Commercial competition winners and a new shield was purchased for the best 'Street display' which has been placed in the Community Hub.

- SOLAR LIGHTING COLUMNS ON KEALHOLME OPEN SPACE

5 new solar lighting columns were installed on the piece of open space land which links Kealholme Road; Allison Close; Oak Drive; Russell Walk and Hall Rise. It is hoped this will improve the safety and security of residents using the area. This has been achieved with the help of a grant of £3,500 from NLC.

- HORTICULTURAL SHOW

After a great many years the small group responsible for organising the Horticultural Show decided it was time to stand down. To keep the show going the Parish Council agreed to arrange the show for September 2021. Due to the continued concerns of Covid-19, the decision was taken not to include the baking classes. Despite this, there was still a fair amount of entries and a good atmosphere. £45.25 was raised from the auction of produce and was donated to Scunthorpe Hospice.

- COMMUNITY HUB

In December 2021 Messingham Parish Council commenced the lease of the Library building from NLC to become a new Community Hub. Prior to this a complete refurbishment had been carried out by NLC including, new kitchen facilities; toilets; solar panels; LED lighting; electronic information boards and furniture.

Library facilities are currently available in the Hub two sessions a week provided by volunteers and managed by NLC library services. Teas, coffees, cakes and biscuits are provided by the WI ladies.
